

Llani Car Club CIC

Family Membership Agreement

Family membership is available for two or more family members over 25 who are willing to share a single deposit of £150 to cover the insurance excess. The restriction is that no more than one person may be using a car club car at any one time. Each family member who wants to join the car club as a driver must fill out the Car Club membership forms as well as sign the declaration below.

We the undersigned agree that we are jointly and individually responsible for the £150 insurance excess. If any one of us should be involved in an accident whereby the Car Club has to pay the insurance excess, we will need to pay a further £150 in order to continue our membership of the Car Club.

We also agree that only one of us will drive a Car Club car at any one time and should we break this agreement our membership of the Car Club is liable to be terminated immediately and any outstanding amounts settled as soon as possible.
